

## **Intern Country Management, main focus: Finland in Berlin**

### **About the company**

#### **Tendea.co.uk - Tendea.fr - Betreut.de – Betreut.at – Betreut.ch**

With our brands Betreut and Tendea we support families and households across the whole of Europe. Our core competence is to provide a professional platform to arrange services concerning all aspects of family care (children, adults, animals, homes & gardens). Since 2007 Betreut.de has become one of Germany's leading service companies in its field. Additionally we operate similar portals in France, Austria and Switzerland. To this day more than ten thousand households rely on our expertise – this number is growing with each day!

### **About us**

We are a young and innovative company based in Berlin. The team continuously aims to become the leading company in the European market of family care services. Therefore we create a new level of quality, safety and efficiency in our field of expertise. Our work is characterized by respect, success and efficiency.

### **Your responsibilities**

The position provides you with the chance to directly participate in the development and success of an aspiring company. From day one you take responsibility for individual projects and team tasks. Your tasks will include:

- Design, planning and active participation in the development of the Finnish portal
- Communication with ongoing partners and acquisition
- Marketing existing online partnerships
- Tender preparation, documentation and finalizing contracts
- Controlling, research and data maintenance
- Analysis, interpretation and presentation of the market and competitors

### **Personal requirements**

- Finnish native speaker
- At least undergraduate business studies, media management or equivalent qualifications
- Good negotiating skills
- Analytical skills
- Very high internet affinity and Start-Up Spirit
- The Courage to have new ideas and the assertiveness to implement them
- Ability to work independently
- Highly enthusiastic
- Target and result oriented
- ... and of course work well in a team environment.

### **Conditions**

The position is an internship (3 to 6 months) and available immediately in our company in **Berlin**.
